FIG.4

Groups

Current Users	65	Groups	66
---------------	----	--------	----

All users are automatically assigned to the All Users group. This gives them access to email and standard office applications. To assign a user to another group, click the username to highlight it in the list, then check the appropriate group.

FIG.5

Backup Schedule

Your data will automatically be backed up at the times you indicate below. Online backup means your data will be copied to a computer system at another location. Tape backup means your data will be copied to magnetic tape and stored at another location. Backup should be done at a time when people are not working on the system. Type the times below that are outside of your normal working hours.

Scheduling

How early do employees start work?
6:00AM ▾ 67

How late do employees leave work?
8:30PM ▾ 68

How often do you want to back up your data?
Sundays Only ▾

FIG.6

Data Security

To make sure that your data is secure, you will be asked to type a key (password) to access the data that Connected Online Backup has stored for you. The key can be any combination of up to ???? characters, with no spaces. For future reference, make a note of the key and indicate if you have used upper or lower case characters. For added safety, you can store a copy of the key with the Connected Online Backup service by checking the box below.
